Adventure starts here

For all the playful explorers out there

For some children, it's a new start in a new school. For other kids it's a return to the classroom after the holidays. The excitement though is the same for all.

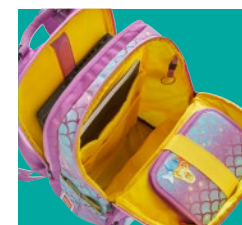

So let's get ready with colourful bags and accessories for new beginnings, learning, fun, friends and all kinds of new adventures in and out of school.

We celebrate the young playful explorers with our new exciting and colourful range of school bags, backpacks, pencil cases, trollys and more.

Luggage – ready to go

Grown Up Licenses is one of the world's largest bag and luggage manufacturer with speciality in design and development of school bags. We have the licensee agreement with one of the most well-known and playful brands in the world – The LEGO® Group.

Our Schoolbags provide children the highest level of comfort, ergonomics and functionality. Based on the creative LEGO® universe, we have created a range of schoolbags, backpacks, luggage and accessories to enable children in their everyday playfulness.

Our philosophy is closely linked to the LEGO® experience. Our range of schoolbags is the essence of quality, durability and high level of functionality – just like the LEGO® brick.

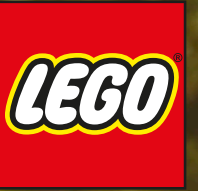

rPET

Made in yarn from recycled PET bottles
The number indicates the amount of 550 ml bottles used for the fabric-making of each style on the following pages.

PVC free

You can trust the quality of LEGO® backpacks. Here you get a bag that is PVC free, without phthalates and other AZO dyes and at the same time these backpacks are produced in accordance with the European REACH regulation.
