rPET fabric
Our signature styles are made in rPET fabrics, meaning the raw material is derived from 100% recycled PET bottles in accordance with the Global Recycled Standard.

PVC FREE
You can trust the quality of LEGO backpacks. Here you get a bag that is PVC free, without phthalates and other AZO dyes and at the same time these backpacks are produced in accordance with the European REACH regulation.

Reflective
This backpack has reflective elements on all four sides of the bag. We call it 360-degree reflective for increased traffic safety.

Classic knob pullers
Our knob zipper pullers call for everyday fun and gives you that added fan detail. Wear it loudly and proudly!
