The Andersen backpack trolley in a modern squared shape, is a dual-functional school or leisure bag that can be worn as a backpack or as a rolling item for days with heavy loading weight.

Pull-out the trolley handle to use it as a trolley or hide it away and cover the wheels with the extractable fabric cover. Shoulder straps can also be buckled off and hidden away in the padded back panel slip pocket.

It is easy to access the main compartment with the lid open, as the bag can stand stable on its own, giving a quick overview of its content. Books can be placed closest to the back with the slip pocket divider and the inside elastic strap.
