# Bags & Luggage

2021

# The World is Our Playground

We are proudly presenting the 2021 LEGO® Bags & Luggage buyers guide including everything from back-to-school lineup of school bags and accessories, to casual backpacks and travel items; all with a touch of playfulness targeting a global audience of happy and joyful children and their parents.

## Light weight

Our lightweight school bags help ensure the least amount of additional carry-weight.

## Reflective

Our school bags have reflective elements on all four sides of the bag. We all it 360-degree reflective for increased traffic safety.

## Interchangeable buckle system

An easy to use buckle system that allows for attachment of accessories such as keys or our wallets.

## Classic knob pullers

You will find cool iconic details on many of our bags, especially our knob zipper pullers calls for everyday fun.

## rPET fabric

Our new school bag styles are made in rPET fabrics, meaning the raw material is derived from 100% recycled PET bottles.

## COLLECTION HIGHLIGHTS

In this 2021 catalogue we present new styles, new materials and new colorways, while also staying true to the bestselling IPs of our LEGO Bags universe. Here below and on the next page, you will find our key highlights of the season:

### The Danish Heritage

All school bags have been given a Danish surname as the official style name. We believe its important to highlight the legacy of the Danish brand. These signature names support the identity of our bags and relate to the proud heritage of LEGO Group.

**Nielsen, Hansen & Petersen** This season brings you 3 new exciting school bags. They are loaded with nice features and functions, all made in recycled and water-resistant fabrics developed through sustainable methods with the yarn deriving from recycled PET bottles. The bags are retailing at 3 different price points; giving you an assortment for everyone. Read more on these styles on the next pages.

### LEGO Color Universe

The color palette of LEGO ranges widely and this season we begin our journey tapping into the iconic brick color universe. Introducing brick colors and

iconic designs can be a true companion to the child through a longer time period, and even bring value to a broader and older consumer group.

### NINJAGO® Empire & the 10th Anniversary

The 2021 school bag collection powers up on the Ninjago designs, as we support the 10th anniversary of this legendary and popular Spinjitzu universe, to be celebrated in 2021. Find the Ninjago product overviews on page 10-12.

We hope you will enjoy the 2021 LEGO Bags & Luggage collection.

### Many wishes Grown Up Licenses

**PSST...**

You will find a bunch of different QR codes throughout this catalogue. Scan them to watch related product videos and learn more about the styles.

Please welcome Nielsen, Hansen, Petersen & Madsen joining the class of 2021, all with ergonomic and supportive back panels, 360 degree reflective for increased traffic safety, iconic details and all made with fabrics that derives from recycled PET bottles.

# Nielsen School Bag

14 pcs. of 550 ml recycled PET bottles

**Adjustable height system guide:** Move shoulderstrap system to the position matching the height of the child before fitting it on him/her. Keep in mind that the optimal fit is when the top of the school bag follows the shoulder line while the hip belt rest on top of the child's hip bones.

SCAN to see how to fit the school bag on a child

SCAN to see product features & functions of the school bag

Padded back panel with adjustable height system

Stabilizing bottom studs that lift up the bag from dirt and small puddles

Adjustable sternum straps to disperse weight of school bag

The hip belt ensures transfer of weight from shoulder to hips. It is possible to remove the belt completely, on days with low loading weight.

Magnet push button that is simple for a child to use; even by using one hand

Spacious front pocket that goes deep into the bag; suitable for a for a day's packed lunch

Side pocket for small valuables with zipper access from back side

Side pocket fitting a water bottle

String opening into one large main compartment with padded laptop- and tablet pockets, an elastic strap to make sure loading weight from heavy books are kept at the back and a detachable padded divider to ease organization on long days.
