1 DROP 1

12-30 JULY 2021

Drop 1 is characterised by lightweight styles that you can combine and mix to meet pre-autumn vibes. The collection comprises lightweight jackets and waistcoats, super soft fleece styles and cool LEGO® NINJAGO® items, comfortable sweat and functional outdoor pants. The tones of the collection are warm and earthy, and the clothes are made for playing and exploring the great outdoors in the changing weather.

2 EXCLUSIVE

11-31 AUGUST 2021

The LEGO® Wear EXCLUSIVE product line offers a classic and exclusive style. This line proves that high functionality does not mean a compromise on a contemporary design: The clothes are particularly durable and waterproof, thus combining an extra high quality with a modern, Nordic style.

3 COOL

11-31 AUGUST 2021

For the coolest and most casual snowboarder look on the slopes, the LEGO® Wear COOL product line is the perfect choice. The print is based on the trendy hydro dip technique combined with the shapes of the building tables at LEGO House, creating a unique look on every style. LEGO® Wear COOL is made for skiing and particularly for snowboarding, and it is designed with many functional details for those exact purposes.

ACTION

11-31 AUGUST 2021

With LEGO® Wear ACTION, the ultimate skiing experience for children is created. The outerwear range is characterised by bright colours, and the collection offers a number of well-known features from the adult ski world. LEGO® Wear ACTION is made for small skiing enthusiasts, and therefore it is both functional and durable, while having an appealing and eye-catching design.
