**We don't just sell
suitcases for people
who need a suitcase.
We sell LEGO® DNA
shaped as a suitcase.**

We are true

... to the Brick and the fun universe of LEGO. Behind the development of LEGO Luggage, is a licensee team that consist of a group of dedicated managers, designers and sellers that believes in and respects the LEGO history and heritage..

We walk the talk

We spend our days imagining and exploring new ways, new features and details that can make the traveling experience easier, more fun, and filled with creativity.

In close collaboration with the LEGO team, we have made the biggest product scaling of the classic LEGO brick ever made, by any licensing partner .

GROWN UP LICENSES
Official licensee of the LEGO® Group

Luggage

We are a leading OEM and ODM manufacturer of bags, luggage and accessories as well as licensee of several leading global brands.

GROWN UP LICENSES
Official licensee of the LEGO® Group

Grown Up Group

The manufacturer that makes products come to life

Chosen by LEGO®

For more than 17 years, we have been the chosen luggage manufacturer and a licensee of the LEGO brand.

Worldwide

We manufacture at both our own factories and with our numerous partner factories in Southeast Asia and serve our customers from our global head office in Hong Kong, our new R&D center in Shenzhen and our sales and design offices in Asia and Europe

We're good. But don't just take our word for it

Over the years we have manufactured millions of pieces of luggage, so we feel confident to say that we are good at what we do. But don't just take our word for it, ask some of the biggest luggage brands in the world – Samsonite®, Adidas, Cat® etc.
